Memorandum

TO : ~~Ch/ERA~~
OAD/RR

FROM : Ch/St/CS

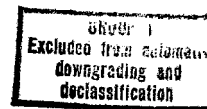

DATE: 27 September 1962

SUBJECT: State Request for Information on Details of Cuban Export
of Nickel Ore

This memorandum is to record that after negotiations with Mr. J. Gardner of RCI/SPS, State, I accepted on 26 September a request to provide on Special classification, a detailed statement of the products of Nicaro including ships involved and destinations. Mr. Gardner assured me the materials would be useful and are desired despite the classification. The request, due by COB 28 September, has been relayed to I/CU and is in process of fulfillment. I suggested to [REDACTED] that the response should be forwarded through channels to ODDI for transmission to State.
